America's Dream Home Maker - Jeanette Joy Fisher

Jeanette Fisher travels the world—a messenger for making dream homes and real estate riches a reality. She's known for providing inspiring TV and radio shows and is the author of best-selling books dedicated to achieving your dreams.

She's shared her message of a "home for glorious living" with millions. Jeanette also helps home sellers and real estate investors with Design Psychology home staging strategies to make their homes "simply irresistible."

As a color psychology expert, Jeanette taught color theory at universities in California and wrote the "Color Preferences" article for McMillan Encyclopedia. She is the author of textbooks, real estate investing books, and two syndicated columns.

While serving as the Chairman of the Historic Preservation Board for the City of Palatka, Florida, Jeanette appeared on national television. She also spoke to state legislators about the importance of neighborhood revitalization to business owners.

Jeanette inspires thousands of people through her seminars. This year she leads Design Psychology seminars: "Create Your Dream Home" for home makers, "Doghouse to Dollhouse for Dollars" for real estate investors, and "Beyond Home Staging" for home sellers.

Whether she's teaching interior design at the local college, speaking to real estate professionals, or to a garden club, Jeanette's enthusiasm sparks interest for home makers and home sellers to create a simply irresistible dream home for glorious living.
